

## SAS Ride Report

Sunday Ride April 19, 2009  
*'An MRA Supported Event'*

### Adelaide – Norwood – Brown Hill Creek

We started this ride at our usual point at BP West Terrace. After a short briefing by the ride officials to explain the revised ride rules, we commenced our ride at about 10.00 am. The ride captain for the day was Kimmi, assisted by Wayne as sweep.

The weather was perfect as 16 assorted scooters (including 3 newcomers) cruised northwest towards Port Rd, where we turned off into North Adelaide. We then wound our way eastwards through various backstreets to reach our rest point in Norwood.

After a relaxing coffee break the group restarted and made our way to the finish at Brown Hill Creek.

In summary, a good turnout for a good riding day. Thanks one and all for your company.
